Subpart A—General**§ 210.4 Authorizations and revocations of authorizations.**

(a) *Requirements for authorization.* Each debit and credit entry subject to this part shall be authorized in accordance with the applicable ACH Rules and the following additional requirements:

(1) The agency or the RDFI that accepts the recipient's authorization shall verify the identity of the recipient and, in the case of a written authorization requiring the recipient's signature, the validity of the recipient's signature.

(2) Unless authorized in writing, or similarly authenticated, by an agency, no person or entity shall initiate or transmit a debit entry to that agency, other than a reversal of a credit entry previously sent to the agency.

(b) *Terms of authorizations.* By executing an authorization for an agency to initiate entries, a recipient agrees:

(1) To the provisions of this part;

(2) To provide accurate information;

(3) To verify the recipient's identity to the satisfaction of the RDFI or agency, whichever has accepted the authorization;

(4) That any new authorization inconsistent with a previous authorization shall supersede the previous authorization; and

(5) That the Federal Government may reverse any duplicate or erroneous entry or file as provided in § 210.6(f) of this part.

(c) *Termination and revocation of authorizations.* An authorization shall remain valid until it is terminated or revoked by:

(1) With respect to a recipient of benefit payments, a change in the recipient's ownership of the deposit account as reflected in the deposit account records, including the removal of the name of the recipient, the addition of a power of attorney, or any action which alters the interest of the recipient;

(2) The death or legal incapacity of a recipient of benefit payments or the death of a beneficiary;

(3) The closing of the recipient's account at the RDFI by the recipient or by the RDFI. With respect to a recipient of benefit payments, if an RDFI

closes an account to which benefit payments currently are being sent, it shall provide 30 calendar days written notice to the recipient prior to closing the account, except in cases of fraud; or

(4) The RDFI's insolvency, closure by any state or Federal regulatory authority or by corporate action, or the appointment of a receiver, conservator, or liquidator for the RDFI. In any such event, the authorization shall remain valid if a successor is named. The Federal Government may temporarily transfer authorizations to a consenting RDFI. The transfer is valid until either a new authorization is executed by the recipient, or 120 calendar days have elapsed since the insolvency, closure, or appointment, whichever occurs first.

§ 210.5 Account requirements for Federal payments.

(a) Notwithstanding ACH Rules 2.1.2, 4.1.3, and Appendix Two, section 2.2 (listing general ledger and loan accounts as permissible transaction codes), an ACH credit entry representing a Federal payment other than a vendor payment shall be deposited into a deposit account at a financial institution. For all payments other than vendor payments, the account at the financial institution shall be in the name of the recipient, except as provided in paragraph (b) of this section.

(b)(1) Where an authorized payment agent has been selected, the Federal payment shall be deposited into an account titled in accordance with the regulations governing the authorized payment agent.

§210.6 Agencies.

Notwithstanding ACH Rules 2.2.3, 2.4.5, 2.5.2, 4.2, and 7.7.2, agencies shall be subject to the obligations and liabilities set forth in this section in connection with Government entries.

(a) *Receiving entries.* An agency may receive ACH debit or credit entries only with the prior written authorization of the Service.

(b) *Liability to a recipient.* An agency will be liable to the recipient for any loss sustained by the recipient as a result of the agency's failure to originate a credit or debit entry in accordance with this part. The agency's liability shall be limited to the amount of the entry(ies).

(c) *Liability to an originator.* An agency will be liable to an originator or an ODFI for any loss sustained by the originator or ODFI as a result of the agency's failure to credit an ACH entry to the agency's account in accordance with this part. The agency's liability shall be limited to the amount of the entry(ies).

(d) *Liability to an RDFI or ACH association.* Except as otherwise provided in this part, an agency will be liable to an RDFI for losses sustained in processing duplicate or erroneous credit and debit entries originated by the agency. An agency's liability shall be limited to the amount of the entry(ies), and shall be reduced by the amount of the loss resulting from the failure of the RDFI to exercise due diligence and follow standard commercial practices in processing the entry(ies). This section does not apply to credits received by an RDFI after the death or legal incapacity of a recipient of benefit payments or the death of a beneficiary as governed by Subpart B of this part. An agency shall not be liable to any ACH association.

(e) *Acquittance of the agency.* The final crediting of the amount of an entry to a recipient's account shall constitute full acquittance of the Federal Government.

(f) *Reversals.* An agency may reverse any duplicate or erroneous entry, and the Federal Government may reverse any duplicate or erroneous file. In initiating a reversal, an agency shall certify to the Service that the reversal complies with applicable law related to the recovery of the underlying payment. An agency that reverses an entry shall indemnify the RDFI as provided in the applicable ACH Rules, but the agency's liability shall be limited to the amount of the entry. If the Federal Government reverses a file, the Federal Government shall indemnify the RDFI as provided in the applicable ACH Rules, but the extent of such liability shall be limited to the amount of the entries comprising the duplicate or erroneous file. Reversals under this section shall comply with the time limitations set forth in the applicable ACH Rules.

(g) *Point-of-purchase debit entries.* An agency may convert to an ACH debit entry a check drawn on a consumer or business account and presented at a point-of-purchase. Agencies shall use the Point-of-Purchase (POP) Standard Entry Class (SEC) code for entries to consumer accounts and the Cash Concentration or Disbursement (CCD) SEC code for entries to business accounts. The requirements of ACH Rules 2.1.2 and 3.4 shall be met for such an entry if the Receiver presents the check at a location where the agency has posted a conspicuous notice at the point-of-purchase containing the disclosure set forth at appendix A to this part and makes available to the Receiver, in a form that the Receiver can retain, the disclosure set forth at appendix B to this part. For purposes of ACH Rules 3.10 and 4.1.1, authorization shall consist of a copy of the notice and a copy of the Receiver's source document.

(h) *Accounts receivable check conversion.* (1) Conversion of consumer checks. The notice and authorization requirements of ACH Rules 2.1.4 and 3.6.1 shall be met for an accounts receivable entry only if an agency has provided the Receiver with the disclosure set forth at appendix C to this part.

(2) Conversion of business checks. An agency may convert to an ACH debit a check drawn on a business account

Fiscal Service, Treasury

§210.8

that is received via mail or at a dropbox location if the agency has provided the Receiver with the disclosure set forth at appendix C. The agency shall use the CCD SEC code for such entries, which shall be deemed to meet the requirements of ACH Rule 2.1.2 if the agency has provided the disclosure set forth at appendix C. For purposes of ACH Rules 3.10 and 4.1.1, authorization shall consist of a copy of the notice and a copy of the Receiver's source document.

(i) *Returned item service fee.* An agency may originate an ACH debit entry to collect a one-time service fee in connection with an ACH debit entry originated pursuant to paragraph (g) or (h) of this section that is returned due to insufficient funds. An entry originated pursuant to this paragraph shall meet the requirements of ACH Rules 2.1.2 and 3.4 if the agency has complied with the disclosure requirements of paragraph (g) or (h), as appropriate. For purposes of ACH Rule 3.10 and 4.1.1, authorization shall consist of a copy of the notice provided under paragraph (g) or (h), as applicable, and a copy of the Receiver's source document.

[64 FR 17487, Apr. 9, 1999, as amended at 67 FR 17903, Apr. 11, 2002]

§210.7 Federal Reserve Banks.

(a) *Fiscal Agents.* Each Federal Reserve Bank serves as Fiscal Agent of the Treasury in carrying out its duties as the Federal Government's ACH Operator under this part. As Fiscal Agent, each Federal Reserve Bank shall be responsible only to the Treasury and not to any other party for any loss resulting from the Federal Reserve Bank's action, notwithstanding Section 11.5 and Article 8 of the ACH Rules. Each Federal Reserve Bank may issue operating circulars not inconsistent with this part which shall be binding on financial institutions.

(b) *Routing numbers.* All routing numbers issued by a Federal Reserve Bank to an agency require the prior approval of the Service.

§210.8 Financial institutions.

(a) *Status as a Treasury depository.* The origination or receipt of an entry subject to this part does not render a financial institution a Treasury depository.

A financial institution shall not advertise itself as a Treasury depository on such basis.

(b) *Liability.* Notwithstanding ACH Rules 2.2.3, 2.4.5, 2.5.2, 4.2, and 7.7.2, if the Federal Government sustains a loss as a result of a financial institution's failure to handle an entry in accordance with this part, the financial institution shall be liable to the Federal Government for the loss, up to the amount of the entry, except as otherwise provided in this section. A financial institution shall not be liable to any third party for any loss or damage resulting directly or indirectly from an agency's error or omission in originating an entry. Nothing in this section shall affect any obligation or liability of a financial institution under Regulation E, 12 CFR part 205, or the Electronic Funds Transfer Act, 12 U.S.C. 1693 *et seq.*

(1) An ODFI that transmits a debit entry to an agency without the prior written or similarly authenticated authorization of the agency, shall be liable to the Federal Government for the amount of the transaction, plus interest. The Service may collect such funds using procedures established in the applicable ACH Rules or by instructing a Federal Reserve Bank to debit the ODFI's account at the Federal Reserve Bank or the account of its designated correspondent. The interest charge shall be at a rate equal to the Federal funds rate plus two percent, and shall be assessed for each calendar day, from the day the Treasury General Account (TGA) was debited to the day the TGA is recredited with the full amount due.

(2) An RDFI that accepts an authorization in violation of §210.4(a) shall be liable to the Federal Government for all credits or debits made in reliance on the authorization. An RDFI that transmits to an agency an authorization containing an incorrect account number shall be liable to the Federal Government for any resulting loss, up to the amount of the payment(s) made on the basis of the incorrect number. If an agency determines, after appropriate investigation, that a loss has occurred because an RDFI transmitted an authorization or notification of change

§210.9

31 CFR Ch. II (7–1–02 Edition)

containing an incorrect account number, the agency may instruct the Service to direct a Federal Reserve Bank to debit the RDFI's account for the amount of the payment(s) made on the basis of the incorrect number. The agency shall notify the RDFI of the results of its investigation and provide the RDFI with a reasonable opportunity to respond before initiating such a debit.

(c) *Acquittance of the financial institution.* The final crediting of the correct amount of an entry received and processed by the Federal Reserve Bank and posted to the TGA shall constitute full acquittance of the ODFI and the originator for the amount of the entry. Full acquittance shall not occur if the entries do not balance, are incomplete, are incorrect, or are incapable of being processed. In the case of funds collected by an agency through origination of a debit entry, full acquittance shall not occur until the underlying payment becomes final.

Subpart B—Reclamation of Benefit Payments

§210.9 Parties to the reclamation.

(a) *Agreement of RDFI.* An RDFI's acceptance of a benefit payment pursuant to this part shall constitute its agreement to this subpart. By accepting a benefit payment subject to this part, the RDFI authorizes the debiting of the Federal Reserve Bank account utilized by the RDFI in accordance with the provisions of §210.10(e).

(b) *The Federal Government.* In processing reclamations pursuant to this subpart, the Service shall act pursuant to the direction of the agency that certified the benefit payment(s) being reclaimed.

§210.10 RDFI liability.

(a) *Full liability.* An RDFI shall be liable to the Federal Government for the total amount of all benefit payments received after the death or legal incapacity of a recipient or the death of a beneficiary unless the RDFI has the right to limit its liability under §210.11 of this part. An RDFI shall return any benefit payments received after the RDFI learns of the death or legal incapacity of a recipient or the death of a

beneficiary, regardless of the manner in which the RDFI discovers such information. If the RDFI learns of the death or legal incapacity of a recipient or death of a beneficiary from a source other than notice from the agency, the RDFI shall immediately notify the agency of the death or incapacity.

(b) *Notice of reclamation.* Upon receipt of a notice of reclamation, an RDFI shall provide the information required by the notice of reclamation and return the amount specified in the notice of reclamation in a timely manner.

(c) *Exception to liability rule.* An RDFI shall not be liable for post-death benefit payments sent to a recipient acting as a representative payee or fiduciary on behalf of a beneficiary, if the beneficiary was deceased at the time the authorization was executed and the RDFI did not have actual or constructive knowledge of the death of the beneficiary.

(d) *Time limits.* An agency that initiates a reclamation must do so within 120 calendar days after the date that the agency receives notice of the death or legal incapacity of a recipient or death of a beneficiary. An agency shall not reclaim any post-death or post-incapacity payment(s) made more than six years prior to the most recent payment made by the agency to the recipient's account; provided, however, that if the account balance at the time the RDFI receives the notice of reclamation exceeds the total amount of all post-death or post-incapacity payments made by the agency during such six-year period, this limitation shall not apply and the RDFI shall be liable for the total amount of all payments made, up to the amount in the account at the time the RDFI receives the notice of reclamation and has had a reasonable opportunity (not to exceed one business day) to act on the notice.

(e) *Debit of RDFI's account.* If an RDFI does not return the full amount of the outstanding total or any other amount for which the RDFI is liable under this subpart in a timely manner, the Federal Government will collect the amount outstanding by instructing the appropriate Federal Reserve Bank to debit the account utilized by the RDFI. The Federal Reserve Bank will

Fiscal Service, Treasury

§ 210.12

provide advice of the debit to the RDFI.

§ 210.11 Limited liability.

(a) *Right to limit its liability.* If an RDFI does not have actual or constructive knowledge of the death or legal incapacity of a recipient or the death of a beneficiary at the time it receives one or more benefit payments on behalf of the recipient, the RDFI's liability to the agency for those payments shall be limited to:

(1) An amount equal to: (i) The amount in the account at the time the RDFI receives the notice of reclamation and has had a reasonable opportunity (not to exceed one business day) to act on the notice, plus any additional benefit payments made to the account by the agency before the RDFI responds in full to the notice of reclamation, or

(ii) The outstanding total, whichever is less; plus

(2) If the agency is unable to collect the entire outstanding total, an additional amount equal to:

(i) The benefit payments received by the RDFI from the agency within 45 days after the death or legal incapacity of the recipient or death of the beneficiary, or

(ii) The balance of the outstanding total, whichever is less.

(b) *Qualification for limited liability.* In order to limit its liability as provided in this section, an RDFI shall:

(1) Certify that at the time the benefit payments were credited to or withdrawn from the account, the RDFI had no actual or constructive knowledge of the death or legal incapacity of the recipient or death of the beneficiary;

(2) Certify the date the RDFI first had actual or constructive knowledge of the death or legal incapacity of the recipient or death of the beneficiary, regardless of how and where such information was obtained;

(3)(i) Provide the name, address, and any other relevant information of the following person(s):

(A) Co-owner(s) of the recipient's account;

(B) Other person(s) authorized to withdraw funds from the recipient's account; and

(C) Person(s) who withdrew funds from the recipient's account after the death or legal incapacity of the recipient or death of the beneficiary.

(ii) If persons are not identified for any of these subcategories, the RDFI must certify that no such information is available and why no such information is available; and

(4) Fully and accurately complete all certifications on the notice of reclamation and comply with the requirements of this part.

(c) *Payment of limited liability amount.* If the RDFI qualifies for limited liability under this subpart, it shall immediately return to the Federal Government the amount specified in § 210.11(a)(1). The agency will then attempt to collect the amount of the outstanding total not returned by the RDFI. If the agency is unable to collect that amount, the Federal Government will instruct the appropriate Federal Reserve Bank to debit the account utilized by the RDFI at that Federal Reserve Bank for the amount specified in § 210.11(a)(2).

(d) *Violation of subpart B.* An RDFI that fails to comply with any provision of this subpart in a timely and accurate manner, including but not limited to the certification requirements at § 210.11(b) and the notice requirements at § 210.13, shall be liable to the Federal Government for any loss resulting from its act or omission. Any such liability shall be in addition to the amount(s) for which the RDFI is liable under § 210.10 or § 210.11, as applicable.

§ 210.12 RDFI's rights of recovery.

(a) *Matters between the RDFI and its customer.* This subpart does not authorize or direct an RDFI to debit or otherwise affect the account of a recipient. Nothing in this subpart shall be construed to affect the right an RDFI has under state law or the RDFI's contract with a recipient to recover any amount from the recipient's account.

(b) *Liability unaffected.* The liability of the RDFI under this subpart is not affected by actions taken by the RDFI to recover any portion of the outstanding total from any party.

§ 210.13

31 CFR Ch. II (7–1–02 Edition)

§ 210.13 Notice to account owners.

Provision of notice by RDFI. Upon receipt by an RDFI of a notice of reclamation, the RDFI immediately shall mail to the last known address of the account owner(s) or otherwise provide to the account owner(s) a copy of any notice required by the Service to be provided to account owners as specified in the Green Book. Proof that this notice was sent may be required by the Service.

§ 210.14 Erroneous death information.

(a) *Notification of error to the agency.* If, after the RDFI responds fully to the notice of reclamation, the RDFI learns that the recipient or beneficiary is not dead or legally incapacitated or that the date of death is incorrect, the RDFI shall inform the agency that certified the underlying payment(s) and direct the Service to reclaim the funds in dispute.

(b) *Resolution of dispute.* The agency that certified the underlying payment(s) and directed the Service to reclaim the funds will attempt to resolve the dispute with the RDFI in a timely manner. If the agency determines that the reclamation was improper, in whole or in part, the agency shall notify the RDFI and shall return the amount of the improperly reclaimed funds to the RDFI. Upon certification by the agency of an improper reclamation, the Service may instruct the appropriate Federal Reserve Bank to credit the account utilized by the RDFI at the Federal Reserve Bank in the amount of the improperly reclaimed funds.

APPENDIX B TO PART 210—STANDARD DISCLOSURE FOR POINT-OF-PURCHASE CONVERSION—BROCHURE OR PAMPHLET

What is point-of-purchase check conversion? Point-of-purchase check conversion is the process of converting checks that customers present to cashiers into electronic fund transfers. “Electronic fund transfer” is the term used to refer to the process in which we electronically instruct your financial institution to transfer funds from your account to our account, rather than processing your check. When you hand a check to the cashier, your check is copied and the account information from your check is used to make an electronic fund transfer from your account. The cashier voids your check and returns it to you. By presenting your check at a location where a sign notifies you that your check will be converted, you authorize the conversion of your check into an electronic fund transfer in this manner.

How quickly will funds be transferred from my account? The electronic fund transfer from your account will usually occur within 24 hours, which is faster than a check is normally processed. Therefore, you should be sure that there are sufficient funds available in your checking account when you present your check. If the electronic fund transfer cannot be completed because there are insufficient funds in your account, we may try to

make the transfer up to two more times [and we will impose a one-time fee of \$ _____ against your account, which we will also collect by electronic fund transfer].

Will the electronic fund transfer appear on my account statement? The electronic fund transfer from your account will be on the account statement that you receive from your financial institution. However, the transfer may be in a different place on your statement than the place where your checks normally appear. For example, it may appear under “other withdrawals” or “other transactions.” The electronic fund transfer should be identified on your statement as “[insert].”

What if there is a problem with the electronic fund transfer? You should contact your financial institution immediately if you believe that the electronic fund transfer reported on your account statement was not properly authorized or is otherwise incorrect. Consumers have protections under a Federal law called the Electronic Fund Transfer Act for an unauthorized or incorrect electronic fund transfer.

What if the electronic fund transfer cannot be processed? In rare instances, an electronic fund transfer cannot be processed for reasons other than insufficient funds. In these cases, we will process the copy of your original check. Different rights apply to the processing of the copy of the check than apply to an electronic fund transfer.

For security reasons, we will destroy your original check, but we will keep a copy of the check for recordkeeping purposes.
